Declaration of Conformity
in accordance with Machinery Directive 2006/42/EC (Appendix II A)

UK Declaration of Conformity
in accordance with Supply of Machinery (Safety) Regulations 2008
also valid as Certificate of compliance in accordance to (BS) EN 10204 - 2.1

We, hereby declare, that the design, construction and commercialized execution of the below mentioned machine complies with the essential health and safety requirements of the EC Machinery Directive and the UK Supply of Machinery (Safety) Regulations. The validity of this declaration will cease in case of any modification or supplement not being agreed with us previously. Furthermore, validity of this declaration will cease in cases where the machine is operated incorrectly and not in accordance with the operating instructions and/or not inspected regularly and maintained in accordance with the manufacturers instructions.
